Objectives
Purpose of the Summer Institute 2004 is to identify and discuss the most compelling theories, empirical insights and public policy implications that are emerging in the field of entrepreneurship.

Target Audience
Graduate students and more advanced scholars interested in the field of entrepreneurship.

Venue
All lectures take place at the Max-Planck-Institute for Research into Economic Systems, Kahlaische Str. 10, 07745 Jena.

Scientific Program
The lectures are open to the public and guests are welcome. Instruction language is English.

Registration
No registration fees. Travel, food and accommodation are not included. Due to capacity restrictions prior registration is required for the Summer Institute. A limited number of guest rooms is available for staying overnight. For registration please contact: Kerstin Schueck, phone: +49-(0)3641-686721, schueck@mpiew-jena.mpg.de, please check: http://www.mpiew-jena.mpg.de
