

## 2009 ESI Pre-Spring Workshop

Monday, March 16

15:00 – 16:00

Daniel Zizzo, University of East Anglia. *Trust, Inequality and the Market*

16:15 – 17:15

Dominique Cappelletti, University of Trento. *The Effect of Default Contributions in Public Goods Provision*

17:15 – 17:45

Coffee Break.

17:45 – 18:45

Luigi Mittone, University of Trento. *The OBN game*

19:00 – 20:00

Dinner

20:30 – 21:30

Brainstorming

Tuesday, March 17

9:00 – 10:00

Georg Kirchsteiger, Université Libre de Bruxelles. *Other-Regarding Preferences in General Equilibrium*

10:00 – 10:30

Coffee Break

10:30 – 11:30

David Reinstein, University of Essex. *Loss of Face*

11:45 – 12:45

David Hugh-Jones, Max Planck Institute of Economics, Jena. *Anonymous Signalling and Ritual*

12:45 – 14:00

Lunch

14:00 – 15:00

Eugen Kováč, University of Bonn. *Reversibility in Dynamic Coordination Problems*

15:15 – 16:15

Carlos Alós-Ferrer, University of Konstanz. *Hidden Symmetries and Focal Points*

16:15 – 16:45

Coffee Break.

16:45 – 17:45

Eyal Winter, Hebrew University of Jerusalem. *Mental Equilibrium and Rational Emotions*

18:30 – 20:00

Dinner

20:30 – 21:30

Brainstorming

### Wednesday, March 18

9:00 – 10:00

Hans-Theo Normann, Goethe-University Frankfurt. *Signalling in Deterministic and Stochastic Settings*

10:00 – 10:30

Coffee Break

10:30 – 11:30

Veronika Grimm, Friedrich-Alexander-University Erlangen-Nürnberg. *An Experiment on Learning in a Multiple Games Environment*

11:45 – 12:45

Dirk Engelmann, Royal Holloway, University of London *A Shock Therapy Against the “Endowment Effect”*

12:45 – 14:00

Lunch

14:00 – 15:00

Matthias Blonski, Goethe-University Frankfurt. *Excess returns for companies with a distinguished player*

15:15 – 16:15

Marco Casari, Università di Bologna. *Explicit versus Implicit Contracts for Dividing the Benefits of Cooperation*

16:15 – 16:45

Coffee Break.

16:45 – 17:45

Tobias Regner, Max Planck Institute of Economics, Jena. *Why Consumers Pay Voluntarily: Evidence from Online Music*

18:30 – 20:00

Dinner

20:30 – 21:30

Brainstorming

### Thursday, March 19

9:00 – 10:00

Andrea Morone, Università degli Studi di Bari. *An Experimental Study on Discretionary Environmental Enforcement*

10:00 – 10:30

Coffee Break

10:30 – 11:30

Gerlinde Fellner, Vienna University of Economics and B.A. *Heterogeneous Productivity in Voluntary Public Good Provision – an Experimental Analysis*

11:45 – 12:45

Mitesh Kataria, Max Planck Institute of Economics, Jena. *Do EPA administrators recommend environmental policies that citizens want?*

12:45 – 14:00

Lunch

14:00–15:00

Eva-Maria Steiger, Max Planck Institute of Economics, Jena. *Relating Risk Attitudes and Probability Updating: An Experimental Study*

15:00–15:30

Coffee Break

15:30–16:30

Peter Dürsch, University of Heidelberg. *Taking punishment into your own hands: An experiment on the motivation underlying punishment*
